Dear Ms. Weldon:

On behalf of the South Dakota Library Association and its Local Arrangements Committee, I want to thank you very much for coming to Aberdeen and presenting your program at our 2001 conference.

We appreciate the time and effort you put into your presentation. Without your participation, the conference would not have been the success it was.

Dear Stephanie,

Thank you so much for filling in at the last minute. It was a great class and covered a lot. For the most part the evaluations were very positive considering the course switch. Enclosed are copies of the class list and course evaluations. I have sent the originals to MLA. It was great meeting you and I look forward to talking to you more in the future.

Thanks
